WORK EXPERIENCE

ZOLLEGE
Software Developer | Mar 2021 - Present | Austin, TX (Remote)

- Worked with a team of 4 to develop a web app using Node, React, HTML/CSS that allowed for consumers to have an intuitive and streamlined creative writing process.
- Participated in every step of the product development process from ideation through development and improvement for features.
- Built RESTful API using Express, mySQL, and MongoDB that served data to our React front-end based on dynamically chosen user inputs.

ESPHERE NETWORK LLC
Warehouse Manager | Jul 2017 - Jan 2020 | Austin, TX

- Sole employee; Repairing, cleaning, and testing functionality of Cisco enterprise routers and switches.
- Handling an average of 100 incoming/outgoing packages per week, and keeping track of serial numbers and unit costs in our inventory management system.
- Maintaining client satisfaction; issuing and processing payments, discounts, refunds and/or replacement units.

DOUBLE DAVE'S PIZZAWORKS
Restaurant Manager | Feb 2010 - Sep 2020 | Austin, TX

- Providing and maintaining customer satisfaction with positive attitude and consistent, quality food.
- Delegating work to maintain customer satisfaction, upkeep, and cleanliness.
- Placing weekly food and material orders.
